6	Air 2		
6 Plus	Pro (12.9in)		
6s	Pro (9.7in)		
6s Plus	Mini 2		
SE	Mini 3		
7	Mini 4		
7 Plus			
8			
8 Plus			
X			

- The UniKey Mobile Credential solution supports iOS 10.0 or higher for Apple devices.
- For Apple devices running any version prior to 9.0, the app is unable to install and run on the device.

### Android 6.0 & Higher Supporting BLE Peripheral Mode

<b>Nexus</b>	<b>Samsung Galaxy</b>	<b>HTC</b>	<b>Google Pixel</b>	<b>Razer Phone</b>
5X	S5	HTC One M9	Pixel	
6	S5 Active		Pixel XL	
6 Plus	S6		Pixel 2	
9	S6 Active		Pixel 2 XL	
	S6 Edge			
	S7			
	S7 Active			
	S7 Edge			
	Note 4			
	Note 4 Edge			
	Note 5			
	S8			
	Note 8			
	Galaxy A5			
	S9			
	S9 Plus			

- For Android devices not listed, they may function correctly if running Android 5.0 or higher with hardware support for BLE peripheral mode.
- For Android devices running any version prior to 5.0, the app is unable to install and run on the device.
- It is important to note that due to the wide range of hardware implementations for Android devices, it is impossible to provide an exhaustive list.
